

WORKCENTER ACCESSORIES

MAXIMIZE YOUR WORKCENTER PRODUCTIVITY

Your work becomes simplified and efficient when items are organized and accessible because the right layout facilitates easy movement. Form and function work in harmony and productivity increases throughout the day.

These accessories enhance the functionality and value of your workcenter. Whether it's a discrete Sierra Modesty Panel below the surface, a sleek Power/Data Supply on the desktop or functional Sierra Casters on the workcenter legs, all are designed with your comfort and productivity in mind.

Install in combination with our Sierra Tool Bar or Privacy Panel and tool bar accessories for a highly productive workcenter. Make your work environment comfortable, productive *and* dynamic with these functional and attractive workcenter accessories.

The Sierra Modesty Panel is available in seven colors to complement any decor.

The Above-Desk Power/Data Supply is ideal for 24" deep workcenters.

WORKCENTER ACCESSORIES

Products listed on this page are available through GSA Contract GS-28F-0030S SIN #711-2 (Schedule 71) except where noted

944-60-□
