CONFERENCE SEATING

Create the perfect conference chair with the YES Series by adding a KR48 fixed position loop arm.

OPTIONAL ARMS FOR YES SERIES SEATING

Please refer to the Office Master price list for available arm styles, and complete descriptions and specifications. Overall width of a chair with arms will be increased by approximately 5 inches. Overall weight of a chair with arms will be increased by 8-12 pounds (dependent upon arm choice). Arms are covered by separate warranties, please refer to the Office Master price list for a complete description.

OPTIONAL CASTERS FOR YES SERIES SEATING

Refer to the caster section of the Office Master price list to help you choose the caster that is right for you. Tailor your caster selection specifically to the type of flooring where your seating will be used.

UPHOLSTERY FOR YES SERIES SEATING

Seats are available in a variety of Office Master upholstery, Momentum Textiles Grade-in's and COM/COL. Please reference the Office Master price list for procedures and important details concerning COM/COL fabric specification.

KR48
Loop arms
Leather-like finish

Visit www.officemaster.com for more information about ergonomics and the design of Office Master seating. Chair measurements shown above are approximate and subject to change without notification.
