LT20 Charging Cart for Laptops

Highlights

- **Charge, store and transport up to 20 laptops.**
- Roomy bays support just about any size laptop.
- Power bricks easily fit on the shelf alongside the laptop.
- Keyed locks on the front and back doors plus a 2-point locking system protect laptops.
- At 45.75" (116 cm) high, this Charging Cart is the perfect height to use as a teaching station.
- Move effortlessly from room to room with four large 5" rubber casters, two directional and two total-lock.
- Side panels and doors contain ventilated holes which keep your equipment cool and encourage air flow.

Charge, store and transport up to 20 laptops, large and small.

LT20 Charging Cart for Laptops fits any tight budget. Your laptops are secure in roomy bays thanks to a 2-point locking system and durable steel construction. Carts ship assembled: you just roll them off the pallet and go!

Roomy bays 15.5" w (39.37 cm) with individual internal outlets in the corner of every shelf; power is accessible for each device.

Power bricks easily fit on the shelf alongside the laptop. Use cable ties to secure transformers on each shelf so they stay in place while the Laptop Charging Cart is in motion.

Keyed locks on the front and back doors plus a 2-point locking system protect laptops. The handle of each reinforced door lies flush within the handle enclosure.

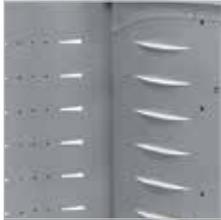

Move effortlessly from room to room with four large 5" rubber casters. Two directional locking casters and two total-lock.

LT20 Charging Cart for Laptops

Side panels and doors contain ventilated holes which keep your equipment cool and encourage air flow.

An exterior cable wrap keeps the power cord neat and tidy within the Cart's footprint. The power switch is immediately above the cable wrap.

With an external power switch and two outlets, the Cart becomes a handy workstation.

Steer and maneuver the Cart easily between buildings and around the office with two easy-grip handles.

Small footprint, just 29.5" W x 25.5" D (75 x 65 cm), fits into tight spaces and through doorways with room to spare.

Cart ships assembled so all you need to do is unpack and roll it out!

Charge, Store and Transport
