

**Energizing your body.  
Inspiring your mind.**

Turn your Winston Workstation into an ideal solution for the active workplace. The laptop holder kit combines our Winston sit-stand Workstation with an articulating laptop arm and tray, so mobile users can take advantage of standing in the workplace while remaining on-the-go. To use Winston Workstation with the laptop holder kit, please order this item in addition to your Winston unit to create this combination.

**FEATURES**

- Laptop holder kit includes an arm mount, laptop tray, and a 14" pole mount.
- To use a laptop with Winston Workstation, please order the laptop holder kit in addition to the Winston Workstation base unit.
- Designed to accommodate standing work without the distraction of unwanted movement.
- Large surface and convenient storage tray allow you to bring all necessities with you when you stand.
- Retrofit your existing desk into a healthy workspace with three easy mounting options: freestanding, desk clamp or thru mount.
- Features a 17" range of vertical height adjustment and a locking cylinder to keep the workstation in place. No manual adjustment needed.
- Cable clips in the column and beam keep the cables organized and out of the way.
- Winston is assembled in the USA using components created through a green manufacturing process.
