SMARTMOUNT.

Ultra Thin Flat Video Wall Mount

FOR DISPLAYS 40" OR LARGER, UP TO 75LB (34KG)

Peerless-AV's Ultra Thin Flat Video Wall Mount gets displays tight to the wall and effortlessly creates ultra-sleek video walls in virtually any configuration. This modular system provides infinite possibilities and a quick install time using horizontal adjustment and custom pre-sized spacers. This advanced, yet easy to install, digital signage mount includes a wall plate and easy attachment rails that simplify getting the display on the wall, while a sturdy locking rail affixes to the top to maximize safety and security.

DS-VW650's modular system provides endless design possibilities, and quick installation makes creating a seamless video wall nearly effortless.

Additional Features

- ✓ Unique modular design offers unlimited video wall display configurations
- ✓ Custom wall plate spacers eliminate extra measuring and guesswork during installation
- ✓ Simple horizontal adjustment makes aligning displays quick and easy
- ✓ Ultra-thin design provides a streamlined video wall profile
- ✓ Durable locking rail holds TV ensuring a safe and secure installation
- ✓ Includes security hardware that can help deter tampering or loss
- ✓ All necessary mounting hardware included
- ✓ Maximum load capacity 75lb (34kg)

INSTALLATION SAFETY AND SECURITY

Prevent tampering and theft with sturdy locking rail and included security hardware

SLEEK ULTRA THIN DESIGN

Create video walls where the profile virtually disappears from view with a unique design that provides a streamlined .69" (17.5mm) depth from wall
