**MULTI-DISPLAY MOUNT (for two to six TV's)**

For use with square, round, rectangular or I-beam trusses. Maximum dimensions to accommodate truss ceiling plate are shown. **Truss must be capable of supporting four times the load of attached hardware and components.**

**UL US** This product is intended for use with UL Listed products and must be installed by a qualified professional installer.

**Shipping weight: 4.6 lb (2.1 kg)**

**Architects Specifications:**

The ceiling mount shall be a Peerless model DCT\_\_\_\_\_ and shall be located where indicated on the plans. It shall consist of a truss ceiling plate with an integral decoupler assembly to relieve stress (caused by side to side or swaying action that may result from minor impacts) from damaging TVs/monitors. The truss ceiling mount shall be UL Listed. The finish shall be Raven Black Fused Epoxy. Installation shall be made in accordance with the instructions provided by the manufacturer.

Protected by U.S. Patent no. 5,127,617. Other U.S. and international patents pending.
