DST360

Flat/Tilt Universal Wall or Ceiling* Mount with Computer/Media Controller Storage

For 26" to 60" (66 to 152 cm) flat-panel displays

* Works with any standard EXT, ADD, or ADJ extension columns and ceiling mounts (sold separately)

The DST360 offers a "single-box" solution to digital signage and public space flat panel installations. This versatile solution enables ceiling or wall mounting, it provides plenty of space for a computer or media box storage and allows access to the media device without having to remove the display. Designed for ease-of-assembly and security this mount incorporates a step-by-step installation instructions and includes security option that ensures the display stays in place. Enhancing effectiveness of the mounted display, this product incorporates a built-in swivel** 360 degrees that positions the display at the perfect angel for optimal effectiveness.

**Ceiling mount application

TV size: 26"-60" (66-152cm)   Max load: 150lb (68kg)
