125lb (56.6kg)

Slide-out Wall Mount with Media Player Storage & Access

FOR 37" TO 70" DISPLAYS

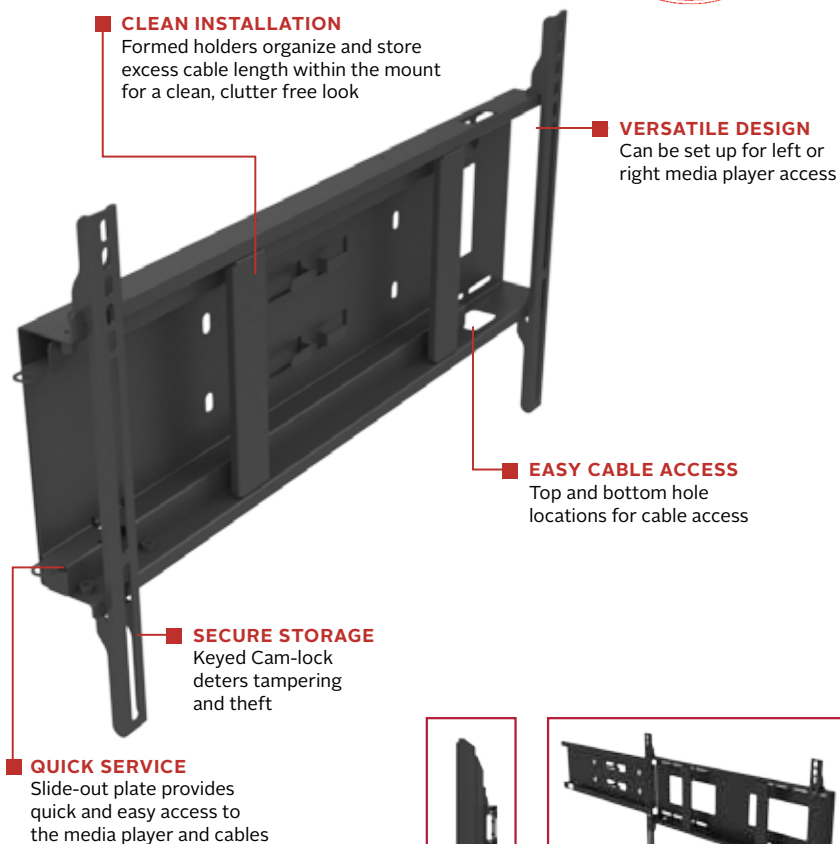

The DMU50SM-02 flat wall mount is the ideal security enabled mounting solution for digital signage applications. This unparalleled mount allows for quick access to the media driver storage, while providing a built-in lock that keeps the peripherals secured from tampering or theft. Accessing the mounted peripheral is simple with the DMU50SM-02's slide-out plate, ensuring the display is undisturbed while the media device is installed, maintained or replaced. Designed with an open wall plate, this mount's minimal footprint allows for optimal room to install electrical outlets and route cables. Compatible with a variety of displays up to 705 x 433mm mounting hole pattern, it provides the ideal solution for a variety of digital signage applications.

Designed with the end-user in mind, the DMU50SM-02 offers quick and easy access for media player serviceability.
