

One Touch Sit-Stand Systems

The One Touch systems are electric powered sit-stand workstations that retrofit to your existing desk, making them compatible with any type of setup! Available in a range of models with various options, from freestanding to desk mounted.

Electric Powered

Easily switch positions with just the push of a button.

Fast Setup

Installs in less than 20 minutes on existing desk.

Vertical Adjustment

Provides the highest range of vertical travel on the market today at 20".

Expansive Capabilities

Compatible with both PC + Apple iMac® monitors, the One Touch comes in a variety of bundles to match your work surface needs.

Accessorize

Optional slatwall mount and compact work surfaces available. Ask your sales rep for details.
