

# PSD-BW

## Nesting Carts

This mobile cart is the perfect solution for digital signage and presentation environments. Locking rolling casters allow for easy mobility and secure placement when needed.

Rotate the display 360° with our new Rotary Series mounts, or place horizontally with a CTM, UFA or USA mount. Optimal viewing heights can be achieved by moving the display up or down sleek chrome poles.

- Adapts to RTM and CTM mounts
- Heavy-duty lockable rolling casters
- Nesting capabilities for easy storage
- Perfect viewing height for digital signage or presentations
- Full height is 79.1" for PSD-BWL; 67.1" for PSD-BW
- Route cables through chrome poles
- Max Load: 160 lbs. (75 lbs. above 60")
- Lifetime warranty
- Color: Black

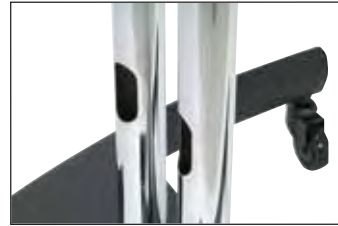

Model	Max. Wt.
PSD-BW	160 lbs. (73 kgs.)
PSD-BWL	160 lbs.* (73 kgs.)

\*(limited to 75 lbs. (34 kgs.) above 60")

To order black poles, simply place a "B" at the end of model # (PSD-TS60B, for example.)

### Choose Your Mount

UFA Flat	CTM Tilt	USA Swivel	RTM Rotary
-------------	-------------	---------------	---------------

Dual poles have cable ports for wiring.

Open base design lets you nest carts in front of each other to minimize storage space requirements.

Nesting cart shown with optional cover packs and shelf and optional CTM Series mount.
