

Ergotron® StyleView™ Accessories

Moving at maximum efficiency

StyleView Power System includes three hospital grade AC power outlets that provide CPU, LCD, notebook and tablet PCs with ample power.

Medication drawers lock and keep medicine nearby for improved workflow.

Lockable notebook drawer (shown open) can be used for storage of supplies.

Easily convert any StyleView Cart to a tablet PC style cart using the Tablet PC Pivot Extension. A separate interface plate may be required.

More motion. Less effort.
Feel the difference.

Ergotron offers a variety of optional accessories, including lockable medication drawers and a utility shelf. These accessories are engineered to increase productivity and reduce errors.

Constant Force (CF™) patented lift-and-pivot motion technology produces smooth adjustment.
