PRG Precision Gear Projector Mount
For Projectors up to 50 lb (22 kg)

1. Spider® Universal Adapter Plate extends up to 17.63" (448 mm) to fit most projector models

2. Cable management allows cables to be routed through projector mount and out of sight

3. Patent-pending precision gear provides ImageLock™ alignment to accurately hold image position, virtually eliminating any sag or drift

4. Two adjustment knobs control tilt and roll image alignment. Engage using a Phillips screwdriver or extend knobs to adjust by hand

5. Quick-release mechanism to easily service projector

6. Horizontal wrench access slots make flush mounting installations quick & easy

7. Pre-installed security screws provide optional tilt and roll lock to prevent tampering with adjustment knobs
