

PRS Series Adjustable Projector Ceiling/Wall Mount Kit

NEW!

Peerless has packaged flexibility and ease together in one box with these ceiling/wall mounting kits, which enable the installation of a projector from either the ceiling or the wall. Each kit includes a PRS Series Projector Mount and an adjustable length extension column that provides ideal height positioning for the perfect projector installation. The extension column provides cable-management that organizes signal and power cables for a clean, clutter-free appearance. This complete projector mounting kit supplies everything needed for an easy projector installation in one convenient package.
