PRS Precision Gear Projector Mount Kit with EXC Ceiling mount

The PRS-EXC is the lowest profile universal projector mount available today. In a kit with the adjustable EXC ceiling column, it offers a quick and easy installation in addition to unmatched versatility. This convenient kit allows for ceiling mount only.

Features:

- Tilt: +20°/-5°, Roll: ±10°, Swivel: 360° (when attached to an extension column), ±30° swivel (when flush mounted), which enables the image to be perfectly aligned with the screen
- For projectors up to 25 lbs
- Independent roll, pitch, and yaw adjustments provide easy image alignment
- Can be mounted directly to a single wood beam/stud or concrete slab without disassembling the mount and without reinforcing the ceiling
- Ceiling mount only
- Quick release mechanism to easily remove projector for maintenance
- Cable management allows cables to be routed through projector mount out of sight
- Includes Spider® Universal adapter plate
- Available in black, silver, and white

Dimensions:

For product dimensions, see page 2.

Accessories:

- Suspended Ceiling Kits (CMJ series)
- Ceiling plates (various models available)
- Extension Columns (various models available)
- Cord Management Adapter (ACC 800)
